

Fluid Based Cranial Sacral Class III

for alternative health care providers

A Weekend Session Starting July 15, 2006

Join Carolyn O'Brien

Certified Cranial Sacral Practitioner and Educator, Carolyn O'Brien will be leading an introductory class to fluid based cranial sacral work for alternative health care providers.

We will cover techniques including:

- Learning movement and strain patterns of the cranial bones
- Understanding 'V' spread and vault hold
- Becoming aware and utilizing the CV4 still point
- Awareness and balance of the flux and tentorium
